

Code of Ethics

The Unicist Research Institute

Members of The Unicist Research Institute are expected to:

- 1) Feel the demand to satisfy their clients' needs
- 2) Be committed to achieve goals and pursue them until completion
- 3) Be responsible for their own destiny
- 4) Be humble and have lost their modesty
- 5) Seek equilibrium as excellence and excellence as equilibrium
- 6) Study to unknow and learn from themselves
- 7) Be aware of their inconsistencies and know how to live with them
- 8) Esteem themselves to be able to respect their fellows
- 9) Seek truth knowing it is unreachable (*)
- 10) Seek pleasure in knowledge

The Unicist Research Institute

(*) It refers to truth in nature, not to religious Truth.
